WHAT WE OFFER

Legal Services

Our lawyers can help whether your business is starting up, growing, restructuring, or in the midst of being acquired. We offer personalized legal services to entrepreneurs and SMEs in Canada.

R&D Tax Credits

Our mission is to provide funding that suits the needs of Canada's innovative companies: simple, predictable, non-dilutive capital, delivered on an on-going basis.

Strategic Planning

Propulsio 360 can help you define your goals and develop strategies to achieve them.

WHY CHOOSE US

- We help our clients turn their dreams into reality with personalized legal and business solutions.
- All of our services are designed to help businesses succeed, beyond providing purely legal advice.
- We pride ourselves on our ability to understand our clients reality and provide no nonsense, cost-effective solutions
